1	answer and I'll give you that same courtesy; I'll try not	1	pressures and temperatures. Dissimilar in that it's very
2	to step on your answers. And that way the court	2	much more complicated.
3	reporter's job is much, much easier.	3	Q. The Targa Resources job?
4	A. I'm good with that.	4	A. Uh-huh.
5	Q. And you have to give verbal responses to my	5	Q. Is very much more complicated?
6	questions because a lot of times we shake a head, we say	6	A. Very much more complicated.
7	"uh-huh," "huh-uh," those kind of things, it really	7	Q. And how is that, Mr. John?
8	doesn't show up on the transcript. If you do do that	8	A. You're dealing with distillation towers,
9	I'll try to remind you, all right?	9	you're dealing with electrical generation, you're dealing
10	A. I'm good with that.	10	with a lot more pumps, you're dealing with cryogenics
11	Q. Who are you currently employed by?	11	towers, you're dealing with very complicated heat
12	A. City of Farmington.	12	exchangers, unlike the very simple ones that we deal with
13	Q. And when were you hired by the City of	13	
14	Farmington?	14	here.
15	•		Q. And when you were hired into that Ops Tech I
16	A. April of last year. O. 2012?	15	position
	•	16	A. Which Ops Tech I position?
17	A. Yeah, I think so.	17	Q. The one with the City.
18	Q. Okay. And into what position were you	18	A. Okay.
19	hired?	19	Q. Did you take a test?
20	A. Operations Tech I.	20	A. I did.
21	Q. And when you were hired by the City did you	21	Q. And was that hands-on and written?
22	have a background in power plant operations?	22	A. It was written.
23	<u>A. No.</u>	23	Q. And do you know what a validated test is?
24	Q. And who was your employer prior to the City?	24	A. I do.
25	A. Targa Resources and Conoco Phillips.	25	Q. And was it a validated test?
